## Objective

I am a passionate individual, proud to be a Gold Medalist in the Math Olympiad, showcasing my dedication and proficiency in solving complex mathematical problems. My love for unraveling mathematical intricacies extends beyond achievements, shaping my identity as someone who thrives on intellectual challenges. Coding serves as another avenue for me to express creativity and problem-solving skills. As an avid reader, I find solace and inspiration within the pages of diverse books. These aspects collectively define me as a well-rounded individual, driven by a curiosity for knowledge, an enthusiasm for problem-solving, and an appreciation for the beauty found in both mathematics and literature.
